Recruitment and selection process

The recruitment steps outlined below are based on part 3 of [Keeping Children Safe in Education \(KCSIE\) 2025](#)

[The Early Years Foundation Stage statutory framework](#) contains its own requirements for safer recruitment (pages 24-27)

To make sure we recruit suitable people, we will ensure that those involved in the recruitment and employment of staff to work with children have received appropriate Safer Recruitment training.

We have put the following steps in place during our recruitment and selection process to ensure we are committed to safeguarding and promoting the welfare of children.

Advertising

When advertising roles, we will make clear:

- Our nurseries' commitment to safeguarding and promoting the welfare of children
- That safeguarding checks will be undertaken

Application forms

Our application forms will:

- Include a statement saying that it is an offence to apply for the role if an applicant is barred from engaging in regulated activity relevant to children (where the role involves this type of regulated activity)
- Include a copy of, or link to, our child protection and safeguarding policy

Shortlisting

Our shortlisting process will involve at least 2 people and will:

- Consider any inconsistencies and look for gaps in employment and reasons given for them
- Explore all potential concerns

Once we have shortlisted candidates, we will ask shortlisted candidates to:

Complete a self-declaration of their criminal record or any information that would make them unsuitable to work with children, so that they have the opportunity to share relevant information and discuss it at interview stage. The information we may ask for includes:

- If they have a criminal history
- Whether they are included on the barred list
- Whether they are prohibited from teaching
- Information about any criminal offences committed in any country in line with the law as applicable in England and Wales
- Any relevant overseas information
- If they are known to the policy and children's local authority social care and
- If they have been disqualified from providing childcare

Sign a declaration confirming the information they have provided is true

We will also consider carrying out an online search on shortlisted candidates to help identify any incidents or issues that are publicly available online. Shortlisted candidates will be informed that we may carry out these checks as part of our due diligence process.

Seeking references and checking employment history

We will obtain references before interview. Any concerns raised will be explored further with referees and taken up with the candidate at interview.

When seeking references we will:

- Not accept open references (e.g. 'to whom it may concern')
- Not rely on applicants to obtain their reference
- Not accept references from a family member
- Liaise directly with referees and verify any information contained within references with the referees
- Ensure any references are from the candidate's current employer and completed by a senior person. Where the referee is school based, we will ask for the reference to be confirmed by the headteacher/principal as accurate in respect to disciplinary investigations
- Obtain verification of the candidate's most recent relevant period of employment if they are not currently employed
- Secure a reference from the relevant employer from the last time the candidate worked with children if they are not currently working with children. If the applicant has never worked with children, then ensure a reference is from their current employer
- Ensure electronic references originate from a legitimate source
- Contact referees to clarify where information is vague or insufficient information is provided
- Establish the reason for the applicant leaving their current or most recent post, and ensure any concerns are resolved satisfactorily before appointment is confirmed
- Compare the information on the application form with that in the reference and take up any inconsistencies with the candidate
- Resolve any concerns before any appointment is confirmed

Interview and selection

When interviewing candidates, we will:

- Probe any gaps in employment, or where the candidate has changed employment or location frequently, and ask candidates to explain this
- Explore any potential areas of concern to determine the candidate's suitability to work with children

Pre-appointment vetting checks

We will record all information on the checks carried out in the school's single central record (SCR). Copies of these checks, where appropriate, will be held in individuals' personnel files. We follow requirements and best practice in retaining copies of these checks, as set out below.

New staff

All offers of appointment will be conditional until satisfactory completion of the necessary pre-employment checks. When appointing new staff, we will:

- Verify their identity
- Obtain (via the applicant) an enhanced DBS certificate, including barred list information We will obtain the certificate before, or as soon as practicable after, appointment, including when using the DBS update service. We will not keep a copy of the certificate for longer than 6 months, but when

the copy is destroyed we may still keep a record of the fact that vetting took place, the result of the check, the DBS number and recruitment decision taken

- Obtain a separate barred list check if they will start work in regulated activity before the DBS certificate is available
- Verify their mental and physical fitness to carry out their work responsibilities
- Verify their right to work in the UK. We will keep a copy of this verification for the duration of the member of staff's employment and for 2 years afterwards
- Verify their professional qualifications, as appropriate
- Ensure they are not subject to a prohibition order if they are employed to be a teacher
- Carry out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK. These could include, where available:

For all staff, including teaching positions: [criminal records checks for overseas applicants](#)

For teaching positions: obtaining a letter from the professional regulating authority in the country where the applicant has worked, confirming that they have not imposed any sanctions or restrictions on that person, and/or are aware of any reason why that person may be unsuitable to teach.

Check that candidates taking up a management position are not subject to a prohibition from management (section 128) direction made by the secretary of state

Regulated activity means a person who will be:

- Responsible, on a regular basis in a nursery, for teaching, training, instructing, caring for or supervising children; or
- Carrying out paid, or unsupervised unpaid, work regularly in a nursery where that work provides an opportunity for contact with children; or
- Engaging in intimate or personal care even if this happens only once and regardless of whether they are supervised or not

Existing staff

In certain circumstances we will carry out all the relevant checks on existing staff as if the individual was a new member of staff. These circumstances are when:

- There are concerns about an existing member of staff's suitability to work with children; or
- An individual moves from a post that is not regulated activity to one that is; or
- There has been a break in service of 12 weeks or more

We will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- We believe the individual has engaged in [relevant conduct](#); or
- We believe the individual has received a caution or conviction for a relevant (automatic barring either with or without the right to make representations) offence, under the [Safeguarding Vulnerable Groups Act 2006 \(Prescribed Criteria and Miscellaneous Provisions\) Regulations 2009](#); or
- We believe the 'harm test' is satisfied in respect of the individual (i.e. they may harm a child or vulnerable adult or put them at risk of harm); and
- The individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left

Agency and third-party staff

We will obtain written notification from any agency or third-party organisation that it has carried out the necessary safer recruitment checks that we would otherwise perform. We will also check that the person presenting themselves for work is the same person on whom the checks have been made.

Contractors

We will ensure that any contractor, or any employee of the contractor, who is to work at the school has had the appropriate level of DBS check (this includes contractors who are provided through a PFI or similar contract). This will be:

- An enhanced DBS check with barred list information for contractors engaging in regulated activity
- An enhanced DBS check, not including barred list information, for all other contractors who are not in regulated activity but whose work provides them with an opportunity for regular contact with children

We will obtain the DBS check for self-employed contractors.

We will not keep copies of such checks for longer than 6 months.

Contractors who have not had any checks will not be allowed to work unsupervised or engage in regulated activity under any circumstances.

We will check the identity of all contractors and their staff on arrival at the school.

For self-employed contractors such as music teachers or sports coaches, we will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will include our evaluation of any risks and control measures put in place, and any advice sought.

Volunteers

Please note, it is unlikely that we will engage volunteers in the nursery but if we were to do so we would...

- Never leave an unchecked volunteer unsupervised or allow them to work in regulated activity
- Obtain an enhanced DBS check with barred list information for all volunteers who are new to working in regulated activity
- Carry out a risk assessment when deciding whether to seek an enhanced DBS check without barred list information for any volunteers not engaging in regulated activity. We will retain a record of this risk assessment
- Obtain references for volunteers before they are recruited
- Ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will include our evaluation of any risks and control measures put in place, and any advice sought
- Other checks deemed necessary if they have lived or worked outside the UK

Adults who supervise pupils on work experience

When organising work experience, we will ensure that policies and procedures are in place to protect children from harm. Only existing staff will be able to supervise work – experience children.

Please note the nurseries will continue to observe, supervise and train all staff after they have passed all checks. We will make Safeguarding training a priority.
